Sir

I have the honor to recommend that the pay of the toll mutsudi on the Bind Ghaut, be increased from Rs 15 to Rs 20.

Under this main management the collections which used to be Rs 2396 have increased to Rs 3196 last year.

He has to live in a most solitary spot and in the monsoon has perhaps to put up with a heavier rainfall than

any official in Mysore.

His wife and family suffer severely fever. Before this man took the appointment it was found almost impossible to get any fairly honest individual to take it up.

Under these circumstances and in consideration of his five years service, I beg to recommend the above small increase.

From

To

The Chief Secretary
to the Government of Mysore

Sir.

I have the honor to bring to the notice of Government the necessity of raising the pay of the 2 Kolkars stationed on the Bhund Ghat. At present great difficulty is experienced in obtaining men for these appointments on account of the pay being lower than that of the coolies on the surrounding Coffee Estates.

The pay of the Moutsaddy was raised from Rs 15/6 Rs 20/. in 1889 owing to the difficulty in getting a good man to take up the appoint-
ment

appointment (vide Government Proceedings No $\frac{3942-3}{133}$ of August 20th/89.

The Bhund Ghat is in a very isolated position and very exposed during the monsoon, and during which period it must be extremely difficult to get supplies

For the above reasons, I would urge the necessity of increasing the pay of the Kolkars from Rs 6/6 Rs 8/. each. The Vernacular Correspondence ending with the Mondgere Amildar's No 230 of June 6th, 1892, is enclosed for reference, if necessary.
